Note: The WAPHS produces a periodical called the Peelers Gazette and also uses the website to provide information to members. The preferred method of communicating this information is by a word or PDF document attachment to an email address. If you do not have an email address, please use the option above of a relatives or friends email or other. Each edition of the Peelers Gazette will be made available in colour on the website <http://policewahistory.org.au/index.html> which can be viewed at your local library. A final alternative is to post out a hard copy.
